Community Ministry St. Matthews Maryland

Loving our west end neighbours for 45 years

At St. Matthews Maryland, we build community well-being by supporting individuals and families. Daily the drop-in welcomes about 60 folks who otherwise would be lonely and hungry. Our self esteem and skill building programs help people to connect and grow.

“Volunteering here gives me a great way to give back to my neighbourhood.”

“The Sharing Circle is teaching me about my culture.”

“You are keeping me safe.” (a guest who experiences domestic violence)

“When the money runs out before the month does, I get help for my kids — without judgement.”

St. MMCM a ministry of the Anglican and United Churches and a member of 1JustCity, a network of agencies striving to make Winnipeg a better city for everyone.
